## NEXT THYC MEETING

TBD

Welcome to the 2020 boating season! Although we are off to a slower than usual start, hopefully this summer will prove to be one of the best ever. On June 6<sup>th</sup>, a group of yacht club members worked together to assemble the new grill for use by THYC members at Haven Harbour Marina. I want to personally thank Larry Vernamonti, Tony and Sigy Capuano, and John and Dottie Pearson for their help. After everyone's hard work we enjoyed a lovely dinner together and christened the new grill. It was wonderful being back at the marina and socializing with good friends.

In light of the current situation, we have had to amend the 2020 calendar several times this season. Please take an opportunity to look at the revised calendar to see the current update. As things begin to improve in MD, more specifically Kent County, I hope to add more activities for our members. As of now, we have three boating activities planned; the first one is a raft-up on the Corsica River on June 27<sup>th</sup>, another to Bodkin Creek Yacht Club, and the last is a raft-up on the Magothy River. The Rear Commodore will share more details regarding those so that you can put the dates on your calendars. I look forward to seeing you at the raft-up on the Corsica River on June 27<sup>th</sup>!!

If all goes well, on September 19<sup>th</sup> we will have The Haven Yacht Club Silent Auction which supports our scholarship 100%. In order to have a successful auction, we rely on our members to assist by making contributions such as themed baskets, gift certificates, handmade crafts, soliciting local businesses, as well as volunteering your time and expertise on the day of the event.

Last year the auction raised enough money to fund the four scholarships, and I hope this year will be a success as well. Please contact either me or Ro Carnes if you have any questions as to how you can help.

Now let's get out and enjoy the 2020 season on the Chesapeake Bay!!

What a strange and unusual time we are living in. After much delay of being allowed back into the Marina's, it is so good to see familiar faces again. I want to thank the members who have rejoined THYC, with pretty much all our functions still on hold. I am still holding out hope that we can have some impromptu events as restrictions are loosened up.

We do have a few anchorages planned, first one being on June 27 on the Corsica. If you have any ideas or suggestions, please share them with me, my phone #610-350-6655 or visit me at slip R26.

The good news is THYC has purchased a new grill for our membership. Our grill master, Tony Capuano has made a request that if you use the grill, please make sure it is clean for the next person and the last person to use the grill, please shut of the tank and place cover on grill

How great it is to be back at Haven Harbour and meet again with our members as we walk the docks after a long cold winter! Hopefully our boats are all back in their slips and all systems are go for a season of cruising the beautiful Chesapeake Bay.

This year's scholarship winner was Ellie Jetton who will be studying computer programming at North Carolina State.

This year we had seven applicants who were all outstanding. I want to thank this year's reading committee, Diane Bauer, Dan Bliss, Robyn Burckhardt, and Robin Pomeroy for all their hard work. With 7 applicants there was a lot reading to do and it was hard to make a final decision. We have already received a lovely thank you note from Ms. Jetton and look forward to meeting her at our annual crab feast (powers to be permitting).

We have three easy to navigate cruises coming up. June 27<sup>th</sup> is a raft-up on the Corsica River. The exact anchorage spot will depend on conditions that day but either will be on the Port side of the channel between Red 2 and Red 4 just past the Russian Summer Embassy or further up mid way between Red 4 and Red 6.

July 25<sup>th</sup> we cruise to Bodkin Yacht Club. They have wonderful club house with a nice bar and dining room, a shaded cook out area, a floating pool on the creek and have several activities planned that weekend including a dingy poker run which I plan to win. Slips with power are just \$25 and there is also plenty of anchorage just downstream between Jubb and Goose Coves. Please email me ([DRFLV@Verizon.net](mailto:DRFLV@Verizon.net)) with your vessel name, length, beam, draft and electric needs or if you will be anchoring. Slips will be on a first registered basis.

August 22<sup>nd</sup> we return to Magothy Creek for a raft up past Holland Point (aka Eagle Bay, aka Tara, aka the horse farm). Just look for the Haven YC burgees.

I look forward to seeing everyone around the docks and on the water.

Welcome to the Thirty-second year for The Haven Yacht Club. For sure this will be a unique summer of "social distancing" and mask wearing in big groups. But, fortunately, fun on the water is still encouraged. See the calendar for upcoming raft ups planned.

At this time, the crab feast originally planned for July 11<sup>th</sup> is on hold. I'll let you know if we are able to schedule an alternative date later this season. Thank you to those that have renewed their 2020 memberships. If you have not done so, please complete the application and send back to P.O. Box 603, Rock Hall, MD 21661 or give to Sigy when you see her on the docks
